What Is Wealth?

“The number of days you can survive without physically working and still maintain your standard of living.”

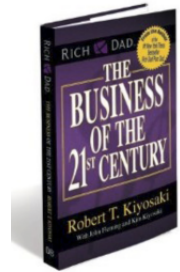

Expenses = \$4,000 per month

Savings = \$12,000

Wealth = 3 months or 90 days

Robert Kiyosaki

If you had to stop work tomorrow or lost your job, how long could YOU survive?

Your Goal should be to develop a Residual Income or Passive Income that is greater than your monthly expenses.

Passive Income: Two Primary Sources

1. Money Working for You

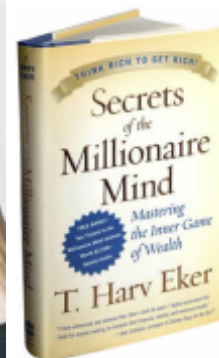

Stocks, bonds, T-Bills, money markets, interest from savings, etc.

2. Business Working for You

Rental real estate, royalties from books / music / software, owning vending machines and **Network Marketing!**

Network Marketing ~ Simple, Easy and Fun !

Most people think of selling as pushing their solution to someone who doesn't know they have a problem.

Selling is a lot easier than this. All we have to do is:

1. Build **Trust** and **Rapport**.
2. Find out if they have a **Problem**.
3. Make sure they **Know** they have this problem.
4. Ask them if they **Want** to do something about it.
And **Then . . .**
5. Present our **Solution**.
