

BIOGRAPHY

CAROLE TAYLOR . . . MONTREAL, CANADA

I started my career in Network Marketing 45 years ago. From the very start I was determined that this would be my full-time profession. I soon left my 'JOB' and plunged in full time.

There were of course challenges at first and many lessons to master. At the time, Network Marketing was not regarded as a serious profession by many people. I quickly learned that my success would depend on my own beliefs ~ not on other people's opinions of what could or couldn't be done.

Over the following years I developed my skills, built my network and became very successful in several companies. I later met my husband Peter through Network Marketing and we continued building our business together.

When we found Isagenix in 2002, we knew it would be a winner. We were right ~ products that really work ~ a corporate team with integrity and ability ~ a simple binary compensation plan with no limits ! We committed 100%, became Isagenix millionaires in 2 years and today have earned over 24 million dollars US in Isagenix.

Peter and I continue to have fun every day, building our Isagenix team and helping others achieve
